

The Real Bitcoin #BCH

What happened to BTC?

2015 Blockstream, funding, blocksize limit

2016 Replace By Fee Hack

2017 Insane Fees

Why BCH is the solution?

- Instant Confirmations
- Zero fees
- Smart reliable community, driven by technology
- BCH is the proof that the decentralized Bitcoin works.
- BCH is the real Bitcoin, following the white paper.
- No other currency has zero fees, maximum adoption

What is the purpose of The Real Bitcoin Club?

- 2018 - Grow Merchant Adoption
- 2018 - Offer p2p trading floor and ATMs
- 2019 - Spread knowledge about the potential of BCH
- 2019 - Organize events to spread usage of BCH

What is special about TRBC?

- Zero fees, zero commission on coin sales
- Lowest commission possible on buys, targeting 2.9% or lower
- Cash only, we can not rely on unreliable credit and banking systems if we want to be better
- Non profit organization, transparency of cashflow in monthly reports.

How exactly will the trading work?

- We offer a service to connect sellers with buyers, we offer an anonymous space with money counting machines
- If you want to make a quick buy with low volume you can get instant rates of 2.9% on buys on BTC, BCH or ETH
- The club buys all BCH with zero commission Monday to Saturday from 18:00 to 22:00
- Miners can leave their coins with us and we sell them for them within one week for +2% charging just 0.9% commission for the club funds to innovate and grow BCH adoption.

How do you want to convince merchants to accept BCH?

- We will offer an app with a merchant map so we drive free customers to the merchants
- Our service is totally free of cost for the merchant, we do not charge a single cent in fees
- We go to the stores to collect the coins and pay out the merchant in cash.
- Just a smartphone needed which nearly anyone has.

How do you want to convince customers to use BCH?

- Merchant Map App with discounts (Merchants shall give discounts to customers instead of commission to us)
- Full control over funds, no government or robber can steal or tax without consent
- Advertise to the Asian tourists that they don't have to exchange their money, can offer special Bitcoin Tour trips on Tripadvisor, work with Japanese agencies

How do we want to spread knowledge about the social potential of the public blockchain

- Bitcoin Flash Mobs to donate 1€ to as many passengers as possible within 15 minutes. Record the promotion and publish it on YouTube. (Paper Wallets)
- Offer a service for social projects seeking crowd funding, help them to raise funds and communicate their vision
- Put a stand in the city with information material. Listen to everybody and answer their questions about Bitcoin and the Blockchain. Help them overcome their fears and truly understand the social benefit for them.

Bitcoin adoption and promotion events

- Silent Bitcoin Disco (<http://silentbitcoindisco.com>)
- The Real Bitcoin Social Fund (sponsor social projects)
- The Real Bitcoin Festival Bus Tour (Summer 2019)
- The Real Bitcoin Ski Tour (Winter 2019)
- The Real Bitcoin Poker Tour (2020)
